

Leadership Seminar for Montessori School Administrators

Part 1: November 1 - 3, 2013

Houston, Texas

*Based on the articulated needs of the Houston Montessori community, TIME is pleased to offer a **Montessori Leadership Seminar** to provide continuing education for school administrators.*

***Part I**, November 1 - 3, 2013 and **Part II** (TBD 2014) will provide the school administrator with a leadership paradigm to strengthen school improvement within the context of Montessori education. Topics include (1) leading and facilitating change within a Montessori community and (2) ensuring high quality Montessori in your classrooms. The seminar is intended to be a great resource of networking for a new, aspiring and/or veteran administrator. Participants will leave with information for immediate application in their school environments.*
